Grading

Players may not enter into events lower than their grade. The same applies to doubles entries with the pair's grade determined as described below.

Players are to check their Badminton WA grade on

www.badmintonwa.org.au/events/player-grading

If they do not have a Badminton WA grade, they should consider the following:

- A grade (Open events) = International player, National player, State player, top club player
- A Reserve Grade = Good club player
- B Grade = Sound competitive player
- C Grade = Social, but competitive player
- D Grade = Adult social player (entry level/recreational)

In doubles events, the grade of a pair is determined by the grade of the player with a higher personal grade (for example, if one player is graded "A Reserve" and their partner is graded "B", then the grade of the pair is "A Reserve").

Any downgrade requests must be forwarded to: grading@badmintonwa.org.au prior to the entries close date.
